

A LETTER FROM REV DEB

The Knox Annual Fall Study

Life Upside Down - Flip Your Perspective: The Parables of Jesus

Begins with kick off Sunday and Knoxfest - September 13

Dear Friends,

One of the experiences I look forward to with the start of the school year and the Knox Fall Schedule is our Fall study which includes a sermon series and small group study. And here we go again!

This time of spiritual emphasis in our congregation has been transformational to our congregation and to individuals. Over the years people have shared how impactful this time of shared study has been. With genuine joy, individuals share stories of a deeper relationship with God and new, meaningful friendships. Others have tested their gifts through new ventures in mission. One of the things we hear the most is that people gain hope and perspective from their study of the Bible. It makes them want to know more.

This year's book is from an author many of you will recognize, John Ortberg. He is a Presbyterian Pastor, speaker and author. Some years back we used his book, "If You Want to walk on Water, You've Got To Get Out Of The Boat". It was a great study and very energizing.

The sermon series compliments our study and we gain a great deal as a congregation from the common focus. It is our hope that each person will grow through their study of scripture and in their faith.

The Parables of Jesus never cease to cause important discussion. In fact they challenge us to consider Jesus perspective upon the world and what it means to be his followers. They call us to a perspective which leads to a different way of being 'in the world'.

We hope you will have significant stories to share which invite and encourage others around you. Perhaps you will flip your perspective in a meaningful and hopeful way. Jesus wants us see the world from his perspective.

After summer's comings and goings, get back into the commitment to worship, fellowship, serve and share. Can't wait to start this spiritual effort together! Have we got a Fall for you!

Blessings in Christ,
Deb

Life Upside Down - Flip Your Perspective: The Parables of Jesus

September 13	“Obstacles to Growth” (and How to Overcome Them) Text: Matthew 13:3-23
September 20	“Overcoming Resentment” Text: Matthew 20:1-16
September 27	“Don’t Wait ‘til It’s Too Late!” Text: Matthew 25:1-13
October 4	“Coming Home” Text: Luke 15:11-24
October 11	“Heart-Healing Forgiveness” Text: Luke 7:36-50
October 18	“Spiritual Sincerity” Text: Matthew 21:28-32

“If a picture is worth a thousand words, Jesus spoke volumes through his parables. Colorful, unforgettable, compelling and culturally relevant, the stories Jesus told portray eternal realities in a way that speaks to the simplest hearts and challenges the wisest minds.

The parables of Jesus communicate vital truths about God, his kingdom and the broad scope of life. Learn vital secrets to spiritual growth. Discover the importance of overcoming resentment. Experience the heart-healing that comes with forgiveness. As you study the parables, you’ll realize Jesus is talking about your life—the struggles you face, and the tremendous promise that lies before you.”

-John Ortberg

Please email Sue at curry.sue21@gmail.com for more information and to reserve a book. Perhaps no Old Testament event so dramatically illustrates God's persistent desire to relate to His children as the building of the tabernacle in the wilderness. Through the tabernacle God initiated a deeper relationship with His Chosen People by bringing reconciliation and revealing His glory. And certainly, no Old Testament event so richly prefigures the coming of the true Tabernacle, Jesus Christ. You will be challenged to prepare your heart, like the holy of holies, to become a home for His love and glory — a dwelling place for the Most High God.

The calendar has been set for an exciting year supporting our Teen Parent Connection families who meet at Knox on Tuesday evening at 6:00 pm.

We are looking for groups/circles/ or individuals who would be willing to provide one pre-planned simple meal (sloppy joes, tacos, etc.) to approximately 12 young moms and dads and their toddlers. be able to finish by 7:30 pm! (Reimbursement for expenses is available to you through the Knox Mission Council budget.)

If this sounds like something you would like to do once (or twice) during the year, please have a look at the calendar on the Knox Website: <http://knoxpres.org/teen-parent-connection/> and pick out a date that works for you. Next, contact Bonnie Olson bdolson@ntsource.com 630/355-4417 to sign up or to receive additional information.

Knox and Scouting

I am Knox Presbyterian Church's Charter Organization Representative (COR) to Boy Scout Troop 505, Cub Scout Pack 105 and Venturing Crew 505. As the COR I serve as liaison between these Scouting units and Knox. I enjoy serving in this role since I am a member of Knox (some would add "for a long time!") and I've been an active leader with Troop 505 since my son was a Boy Scout. One of my roles is to assist with recruiting new scouts (and adult leaders).

Cub Scouts serves boys in first grade into fifth grade. In Boy Scouts the boys are 11 years old (or have finished fifth grade) and can be involved in a Boy Scout Troop until their eighteenth birthday. Venturing is a youth development program of the Boy Scouts of America for both young men and women who are 13 and have completed the eighth grade, or age 14 through 20 years of age.

A participant in the Cub Scouts, Boy Scouts or Venturing is not required to have started at the earliest age. That is, a third grader can get involved in Scouting by joining Cub Scouts. And, a middle schooler (or high school student) can join Boy Scouts even if they weren't involved in Cub Scouts. Further, Venturing is open to young men and women regardless of any prior involvement in Scouting. The primary qualification is a desire to participate.

Neighborhood residency is not a requirement for participating in either of these Scouting organizations. Thus, Pack 105, Troop 505 and Venturing Crew 505 is available for participation by any child of Knox who would like to participate in Scouting.

Plans are underway for Venturing Crew 505 to be a coed Venturing Crew. This includes recruiting adult men and women to be volunteers. We are hoping that initial meetings will be held in September so stay tuned for more information.

Anyone interested in joining Boy Scout Troop 505, Cub Scout Pack 105 or Venturing Crew 505 should contact me. I can be reached by phone at 630-750-5863 or email at ntgoltermann@aol.com.

Worship at the Riverwalk – a great success!

Sunday, August 16 was a day of celebration and worship for our two sister congregations. Knox is into its 50's now, while River Glen marks its 30th birthday this year. What better way to enjoy God's creation in high summer and confirm a long standing partnership than to worship together at the beautiful Naperville Riverwalk? Nearly 400 from both congregations shared in a grand morning of singing, praying, fellowship,

stories of faith and an agape feast.

The day was sunny and warm, if a bit muggy, but under a pavilion and tents and the lovely shade of park trees Knox and River Glen offered praise and thanksgiving to God for the joy of serving our Lord. It was a time for children to wiggle and adults of every age to clap as we lifted our voices with beloved hymns and songs.

We concluded our time at the Riverwalk with munchies, a picnic and promises to do it again next year. There are days when being together with brothers and sisters in Christ is the best medicine in the midst of a troubled world. Thanks be to God for calling us together in worship and service!
