

## Youth Covenant

Winter Retreat 2018

*All youth who attend this event must **sign and return this covenant to Darin** prior to this event in order to attend. The purpose of this covenant is to ensure our time together strengthens and encourages each of us in attendance.*

I will participate in all activities.

I will behave responsibly, following all directions given to me by adult chaperones.

I will remain in designated areas/buildings.

I will refrain from sexual conduct of any kind.

I will treat others with respect and dignity.

I will wear appropriate clothing.

This means undergarments and midriffs will not be exposed, no cut-out tanks or tees, and shorts of appropriate length.

I will not bring drugs, alcohol, tobacco, e-cigarettes, or any other substance.

I will not bring weapons, fireworks, matches/lighters, or any other combustible.

I will relinquish my cell phone, if I choose to bring it, when we arrive at the event, and receive it only at the end of the event.

I will not bring any other electronic entertainment devices.

I understand that failure to follow this covenant will result in disciplinary action that may include being sent home early – at the expense of my parent/guardian.
